Instructions to Patients Scheduled for IV SEDATION

- 1) Do not eat or drink anything (includes juice, coffee, etc.) for 8 hours before your appointment. Failure to do so will lead to cancellation of your surgery.
- 2) Your ride must be here at all times during your surgery or it will be canceled. They must remain in the waiting room.
- 3) Do not wear nail polish or coloring on fingers, as this affects the monitoring equipment.
- 4) It is advisable to wear loose-fitting clothes with short sleeves for easy monitoring access.
- 5) Make arrangements for a responsible adult to assist you during the post-operative period.
- 6) After surgery, you should remain home throughout the rest of the day. You should not operate a car or other equipment or machinery, nor should you plan to be responsible for children for a 24 hour period.
- 7) If you use an inhaler, please bring it with you to your surgery.
- 8) Take all of your prescribed medications with a small sip of water unless otherwise directed by your doctor.

I UNDERSTAND THAT I MUST COMPLY WITH THESE GUIDELINES OR MY SEDATION APPOINTMENT WILL BE CANCELED.
